

REGULATION (EC) 1418/2007- UPDATE OF THE ANNEX

EXPORT FROM THE EUROPEAN UNION (EU) FOR RECOVERY OF 'GREEN' LISTED WASTE AND MIXTURES THEREOF - QUESTIONNAIRE -

This questionnaire aims at gathering information in order for the European Union (EU) to update Commission Regulation (EC) No [1418/2007](#)¹. The wastes covered by this Regulation are referred to as "green listed waste and mixtures thereof" in the questionnaire. Your response will be used to revise the Regulation and thus to update the rules that the EU waste sector and customs officials of EU Member States should follow when exporting 'green' listed waste for recovery. This will help the EU make sure that you are not sent waste that you do not wish to receive.

PART A

COUNTRY: LEBANON

Lebanon responded to the 2013 questionnaire. The information provided at that time is set out in the attachment to this questionnaire. This information was used to update the Annex to the Commission Regulation (EC) No 1418/2007.

In Part A of the questionnaire, we request that you indicate whether the requirements reported in 2013 for the import of certain types of waste are still in force or whether there have been changes in these requirements. If there have been such changes, please complete Part B of the questionnaire.

If you wish to reply on paper rather than electronically and if the questionnaire below does not provide enough space to do so, please reply using extra sheets of paper, following the same template.

¹ Commission Regulation (EC) No 1418/2007 concerning the export for recovery of certain waste listed in Annex III or IIIA to Regulation (EC) No [1013/2006](#) to certain countries to which the OECD decision on the control of transboundary movements of wastes does not apply

QUESTIONS:

1. Is the attached table still accurate?

YES

NO

2. If **YES**, please provide the reference(s) of the legal act(s) in your country regulating imports for recovery of 'green' listed waste and mixtures thereof:

	Title of the legal act; Date of entry into force (day/month/year); Web link (where available)
General legislation covering imports of 'green' listed waste	Law 387 issued on 4/11/1994 (Government authorization to accede to the Basel Convention on the Control of Transboundary Movements of Hazardous Wastes and Their Disposal) Decree 71/1 issued on 17/5/1997 (Import of waste regulations and the amendment of the resolution number 22/1 dated on 17/12/1996)
Legislation covering imports of specific types of 'green' listed waste	

If **YES**, for imports of 'green' listed waste or mixtures thereof that are subject to "other control procedures" (i.e. the wastes listed in column d) of the Annex to Commission Regulation 1418/2007), please summarise what these control procedures are and where further information can be found:

Prior written notification and consent

3. If **NO**, please fill in the questionnaire in Part B.
4. Please use the box below to provide any comments or clarifications regarding your reply to this questionnaire (optional).

5. Please note that your reply will be considered as an official reply and will be uploaded on this website: <http://wastetradesurvey.eu/> and subsequently on the website of the European Commission².
6. Please indicate if you agree or disagree with the public disclosure of the contact details of the respondent.

Agree

Disagree

² Responses to the 2013 questionnaire can be found at the following web address:
<http://ec.europa.eu/trade/import-and-export-rules/export-from-eu/waste-shipment/questionnaires/>

Thank you very much for your contribution.

DATE: 25/4/2019
